TRIBAL CHAIRMAN'S REPORT

MAY 2026

Dear Tribal Members,

I hope this letter finds you and your family well. As we enter graduation season, I would like to first extend my heartfelt congratulations to all of our Tribal youth and members who are reaching important educational milestones this year. Whether graduating from preschool, high school, college, vocational programs, or beyond, each accomplishment represents hard work, dedication, and a commitment to building a stronger future; not only for themselves, but for our entire Tribe.

Education is one of the most powerful tools we can provide our youth. By encouraging continued learning, personal growth, and career development, we are investing in the future leadership, strength, and success of Susanville Indian Rancheria. I encourage all of our students to continue pursuing their educational goals, whether through higher education, technical training, or career readiness programs. Your Tribe is proud of you, and we support your journey toward success.

High school seniors are also encouraged to explore the Tribe's Higher Education Program, which provides scholarship opportunities to eligible enrolled members pursuing continued education. This valuable program is managed through our Enrollment Office and serves as an important resource in helping students achieve their academic and career aspirations.

In addition to supporting academic achievement, Susanville Indian Rancheria remains committed to creating opportunities for our young people to gain valuable work experience and life skills. Our Tribal Youth Employment Program, held during the summer months, offers enrolled SIR youth ages 14-17 the opportunity to work, develop responsibility, and gain hands-on experience in a professional setting. To qualify, participants must be an SIR Tribal Member, resident of Lassen County, maintain a minimum 2.0 GPA, and be able to obtain a valid work permit. This program not only helps our youth prepare for future careers, but also reinforces the importance of accountability, education, and strong work ethic.

By supporting both education and employment opportunities, we are empowering the next generation of Tribal leaders. I encourage eligible families to take advantage of these programs and continue fostering growth, ambition, and success in our youth.

As always, thank you for your continued support of Susanville Indian Rancheria and our future generations.

Thank you,
Arian Hart

SECRETARY / TREASURER

As Secretary/Treasurer, I would like to remind our community that the Susanville Indian Rancheria's Abandoned Vehicle Ordinance No. 2005-001 Amendment 1, regulates abandoned and nuisance vehicles on all SIR Tribal properties.

If you have abandoned or nuisance vehicles on your property and need assistance with disposal, please be aware that maintaining safe and sanitary land assignments is required under the SIR Residential Land Assignment Ordinance. Section 6.1.7 prohibits the accumulation of abandoned vehicles, trash, or other hazards that may negatively impact community safety and well-being.

Under Section 6.2, it is the duty of the Secretary/Treasurer to report violations to the Tribal Business Council and provide regular compliance updates.

The NRD Department may be available to assist with abandoned vehicle removal. Please contact Aaron Brazzanovich, Jr., NRD Environmental Coordinator, at (530) 310-3381 to schedule a pickup.

Together, we can help maintain a cleaner, safer, and healthier community for all Tribal Members.

Tiffani Miles

ADMINISTRATIVE ASSISTANT

Hello,

My name is Tiffani Miles, and I am your new Tribal Administrative Assistant. A little about myself—I am Maidu, Wailaki, and Wintun, and I was raised in Greenville, where I lived most of my life. My great-grandparents were Seymour and Louise Smith on my mother's side, and Frank and Mamie Mullen on my father's side. I take great pride in being their great-granddaughter. Each of them lived extraordinary lives, and the stories and memories they've left behind are truly one of a kind. Currently, much of my time revolves around my young son, who keeps me busy with his energy, sports, and many activities. In my free time, I enjoy traveling and exploring new places. I began working with the tribe as a Housing Specialist for SIRHA, where I became familiar with the tribe and its members. I take great pride in assisting others and look forward to welcoming everyone into the Tribal Office.

IT DEPARTMENT

Tribal Risk Management and Cultural Sovereignty

Artificial intelligence (AI) is growing quickly and becoming more common online. While it offers many benefits, it is important for tribal members to be cautious when using these tools.

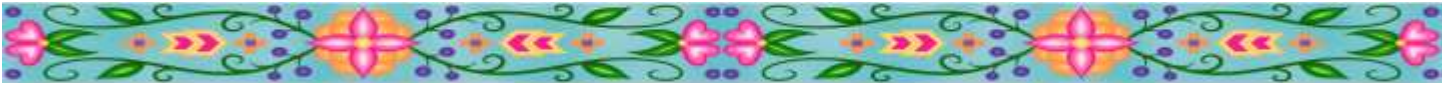

Some public AI platforms may collect and store information that users enter. This can put sensitive data –such as enrollment, family history, and cultural records –at risk if shared on open platforms.

Tribal leadership and IT staff are working to protect this information by supporting secure systems and strong data governance that respect our cultural values and sovereignty.

As high-speed internet access expands through the NTIA grant, tribal members are encouraged to use carefully when using public AI tools and to avoid sharing sensitive personal or tribal information online.

Protecting our data helps protect our people and our future.

Welcome Our New Staff In The Last Quarter:

Congratulations
EMPLOYEE OF THE QUARTER!

ADRIANA TORRES

We are proud to recognize Adriana Torres, SIR Executive Assistant, as our Employee of the Quarter!

Adriana has been selected in recognition of her consistent dedication, professionalism, and positive attitude in supporting the daily operations of the Tribal Office. She continuously goes above and beyond to ensure tasks are completed efficiently, while maintaining strong communication and collaboration across departments.

Her reliability and commitment are evident in her ongoing support of the Tribal Business Council. Adriana is always available when needed, demonstrating a high level of responsiveness, accountability, and dedication to the Tribe's mission and operations.

Adriana's strong work ethic, team-oriented mindset, and willingness to step in wherever needed make her an invaluable asset to the organization. She exemplifies the standards of excellence we strive for and contributes greatly to a positive and productive work environment.

Congratulations, Adriana, on this well-deserved recognition. Your hard work and dedication are truly appreciated.

Congratulations
EMPLOYEE OF THE QUARTER!

**CHRISTA
DEVLIN-SMITH**

We are proud to recognize Christa Devlin-Smith, LIHC Phlebotomist, as our Employee of the Quarter!

As a new member of the Lassen Indian Health Center team, Christa has made an immediate and lasting impact. From day one, she demonstrated initiative and accountability by taking full ownership of her responsibilities and proactively completing her orientation. She quickly advanced to independently managing the laboratory, showcasing both confidence and competence in her role.

Christa has seamlessly integrated into the clinic team, consistently demonstrating a strong work ethic, exceptional time management, and a genuine willingness to support others. She regularly assists LVNs with clinic labs during high-demand times, ensuring patient care remains efficient and uninterrupted—all while maintaining her own workload with excellence.

Her attention to detail and commitment to quality improvement are evident in her initiative to review and remove expired laboratory and storage supplies, helping maintain compliance and organization within the department. Beyond her daily duties, Christa actively seeks opportunities to improve processes, sharing her insights and supporting nursing staff in understanding and implementing best practices.

Christa embodies what it means to be a team player. Her positive attitude, problem-solving mindset, and “can-do” approach have made her an invaluable asset to the organization.

Congratulations, Christa, on this well-deserved recognition. Your dedication and contributions do not go unnoticed—we are truly fortunate to have you on our team.

QUICK INFORMATION

TNAP FISHING & HUNTING REIMBURSEMENTS

With warmer days just around the corner, it's the perfect time to get outside and enjoy nature with your family. Hunting and fishing are not only great outdoor activities, but also provide a sustainable and independent way to gather food.

Through the Tribal Nutrition Assistance Program (TNAP), Social Services is here to help offset some of those costs. Eligible Tribal Members may receive up to \$500 in reimbursements for:

- Fishing licenses
- Fishing gear
- Hunting licenses and tags
- Hunting gear
- Hunting-related clothing

Please note: Firearms, ammunition, and knives are not eligible for reimbursement. Because this program is funded through the California Department of Social Services, only California-issued licenses and tags qualify for reimbursement.

UPCOMING EVENTS

- Susanville's 37th Annual Junior Fishing Derby
May 16, 2026 | 5:00 AM – 3:00 PM
- Big Game Drawing Applications. Available April 15, 2026
Deadline to submit: June 2, 2026

SIR SUPPORTS VETERANS STAND DOWN

SIR proudly participated in the 3rd Annual Veterans Stand Down, providing resources and support to local veterans and their families. Donald Atterberry, Tribal Opioid Response (TOR) Coordinator, represented SIR by offering outreach and support. We are honored to be part of such an impactful event.

SIRHA

Spring is here, and with it comes a season of exciting projects for the Susanville Indian Rancheria Housing Authority (SIRHA). Our annual Spring Clean-Up and Community BBQ are right around the corner, and we look forward to bringing our community together at these upcoming events!

Lets Declutter

Spring cleaning is the perfect time to refresh your home. Start by decluttering, then work from top to bottom—dusting high surfaces first before moving to lower areas. Focus on key spaces like the kitchen, bathrooms, and closets, and don't forget appliances, windows, and air vents.

Helpful Tips:

- Declutter: Remove unnecessary items and donate or discard what you no longer need.
- Make a Plan: Create a simple cleaning schedule to stay on track.
- Start High: Dust ceiling fans, cobwebs, and high shelves first.
- Wash Windows: Clean windows, frames, and screens inside and out.
- Deep Clean the Kitchen: Clean out the refrigerator and freezer, wipe down appliances, and organize cabinets and drawers.
- Clean Bathrooms: Scrub showers, toilets, tile, and grout; wash shower curtains.
- Organize Closets: Sort through clothes and donate or discard unused items.
- Freshen Linens: Wash bedding, pillows, and throws.
- Clean Appliances: Don't forget the washing machine, dishwasher, and stainless-steel surfaces.
- Dust & Wipe Down: Clean furniture, décor, baseboards, and walls.
- Clean Air Vents: Vacuum and wash vents to improve air quality.
- Go Green: Use natural cleaners like vinegar and baking soda.
- Outdoor Spaces: Tidy up patios, decks, and entryways.
- Stay Safe: Be careful when moving furniture and keep walkways clear.
- Make it Fun: Turn on music or a show to keep things enjoyable.

Units Available

The Susanville Indian Rancheria Housing Authority (SIRHA) encourages all tribal members seeking affordable housing to visit the office during regular business hours to submit a housing application. If you already have an application on file, please ensure it has been updated within the past six months.

SIRHA’s newest housing units will soon be available, including Elderberry Phase II, designated for Tribal Elders, as well as four new three-bedroom units for tribal families. These units are currently under construction on Paiute Lane and Alexander Avenue in Susanville.

In addition, SIRHA is actively rehabilitating several vacant units that will soon be available for occupancy.

If we can assist your household in any way, please contact the SIRHA office at (530) 257-5033.

Highlights!

Internet for Tribal Homes

The Broadband grant rescope application, which would pay members' monthly internet subscription fees, has been submitted. We are currently awaiting approval from project officers with the National Telecommunications and Information Administration (NTIA).

Distribution to follow—stay tuned!

Susanville Indian Rancheria Corporation (SIRCO) would like to share several important updates regarding recent developments across the company and its entities.

Administrative Office

SIRCO is currently undergoing a transition within administrative leadership. The former Office Manager has stepped into the role of Operations Manager, bringing valuable experience into this expanded position. As part of this shift, a new Administrative Assistant has been hired to support daily office functions. At the executive level, SIRCO will be initiating a search to fill the Chief Executive Officer (CEO) position. Further updates will be communicated as they become available.

Diamond Mountain Apparel and Promotions (DMAP)

At this time, SIRCO has made the decision to place DMAP on pause until further notice. This step is being taken to allow for internal restructuring and to ensure long-term stability and success. We appreciate your understanding during this period of transition.

Diamond Mountain Mini Mart

The Mini Mart has been actively undergoing upgrades to enhance the customer's experience. Recent improvements include a fresh interior painting and refurbished cabinetry. Upcoming work will include contracting services for parking lot striping and sealing to improve the safety and accessibility. In response to rising fuel costs, the SIRCO Board and Tribal Business Council has approved an increase in the loyalty discount for tribal members. This adjustment is intended to help ease the financial impact at the pump and provide additional support to the community.

Diamond Mountain Smoke Shop/Smokin Bean

The Smokin Bean is currently seeking bids for a proposed expansion of the shop. The project is aimed at creating additional space to accommodate a dedicated manager's office, improving overall operations and efficiency. In addition to expanding workspace, the plan includes increasing retail floor space to introduce a wider range of products. This effort is intended to attract more customers, boost foot traffic, and enhance the shop's overall profitability. We look forward to reviewing proposals and moving ahead with improvements that will better serve both staff and customers.

SIRCO Property Management (SPM)

SPM Housing Manager has recently resigned. In the interim, a temporary Administrative Assistant has been brought on to help maintain organization within the office and ensure tenant needs continue to be addressed in a timely manner.

The Maintenance team has been actively working on renovating units to increase availability for prospective tenants. These efforts are focused on ensuring that the units are move-in ready and meet quality standards. Following the recent landscaping cleanup, the SIRCO Board will be reevaluating upcoming projects aimed at enhancing the property and attracting new tenants. Additional improvements will be prioritized to support long-term growth and community appeal.

SIR EDUCATION CENTER NEWSLETTER

APRIL/MAY/JUNE 2026

Thank you Parents!

As we are coming to the end of the school year, the Susanville Indian Rancheria Education Center would like to take a moment to reflect on the growth and accomplishments of our students. This time of year is all about finishing strong and encouraging our youth to stay focused, complete their goals, and take pride in everything they've worked toward. We want to extend our sincere appreciation to the parents and families in our community. Your patience, understanding, and continued partnership with us throughout the year have made a meaningful difference. We also want to thank all of our parents for staying in regular contact with our staff and keeping us informed about anything related to their students. At the SIR Education Center, we remain committed to supporting each student not just academically, but as a whole. As we wrap up this school year, we celebrate every milestone—big and small—and look forward to continuing this into our next academic school year.
